GRAND DOORS

VALORA AXIS

Off-axis pivot entrance

VALORA AXIS

Off-axis pivot entrance

Architectural presence

Axis supports generous panel proportions and a ceremonial opening gesture without making daily movement feel heavy.

Made to measure

Panel size, pivot position, hardware, handle and surrounding glazing are confirmed from verified project dimensions.

Available coordination

Custom finishes, sidelights, overlights, mechanical or smart locking, concealed contacts and project-specific thresholds.

Important

Final hardware and structure are selected according to panel weight, exposure and opening conditions.
