

VALORA
GRAND DOORS

VALORA VISTA

One door. One scene.

VALORA VISTA

One door. One scene.

Designed from the site

Vista begins with the facade, visitor approach, desired view and surrounding material language.

Composed elements

Solid aluminium, glass, sidelights, thresholds and handles are designed as one elevation.

One-of-one

The final entrance is developed for a single project rather than selected as a fixed catalogue model.

Important

A private design review is required before a Vista proposal can be prepared.
